PRINCIPAL CORNER

What a fun and exciting week it was at ACE. Students and staff had a great time participating in the ACE Race on Friday! It was fun having parents in the stands and on the track cheering students on! Thank you to those of you who helped mark laps! Next week students will find out which classes earned Kona Ice for running the most laps, which students won prizes, and what schoolwide incentives we earned.

Parent teacher conferences are next week. If you haven't confirmed your time with classroom teachers please do so soon! We strive for 100% attendance and hope to see you all in attendance on Tuesday or Thursday evening.

Have a great weekend!
Mrs. Kistler

ACE School Health Screenings October 2-6, 2023

School health screenings are required for hearing, vision, dental and height and weight. Protocols for student and staff safety are provided through the DHHS School Health Program recommendations. Screenings are conducted for grades 1, 2, 3, 4, Pre-School, 5th grade students new from out of state, and KG students missing required health information. Any student may be excused from hearing, vision or dental screening if the parent brings a signed statement from a physician, PA or APRN stating that the child has had these screenings done in the past 6 months. Height and weight screening may be refused if the parent brings to school a signed and dated statement of refusal.

Please do not call for screening results. You will be notified by a referral letter if further evaluation by a specialist is indicated.

Please make sure if students require correction for vision that they have eye glasses or contact lenses with them for the Health Screens.

Thank you,
Joni Buzzell, BSN, RN, NCSN
